Dear Khun Kanoksakdi,

On behalf of the committee of the Royal Malaysian Polo Association, and all polo players in Malaysia, we extend our deepest condolences to the family of Khun Vichai Srivaddhanaprabha, to the Thailand Polo Association and the King Power family. Please also accept our heartfelt condolences for the families of all those who tragically lost their lives alongside Khun Vichai.

Khun Vichai's passing is a huge loss to polo, not only in Thailand and South East Asia, but around the world. He was a ground-breaking pioneer in the sport of polo. Khun Vichai touched the lives of many, not only in Thailand and Malaysia but also in the United Kingdom and everywhere King Power was involved in polo.

Please accept our deepest condolences on his passing. He will be very much missed. May his soul rest in peace.

Yours sincerely,

Dato' Mohamed Moiz
President
